6. My Compliance: your training history

My Compliance shows everything you have done, with dates.

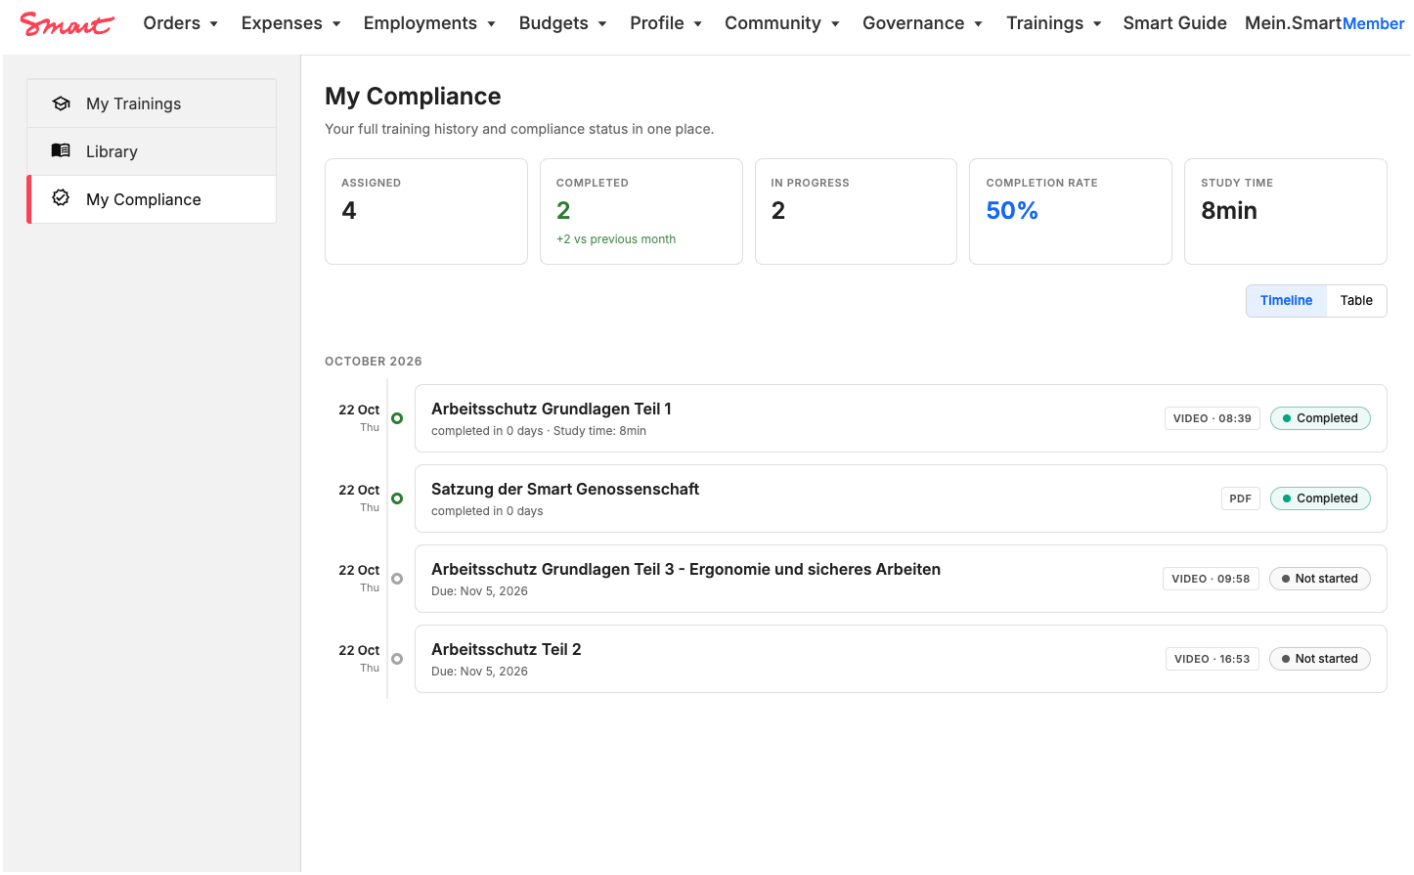

1. On the left, click **My Compliance**.

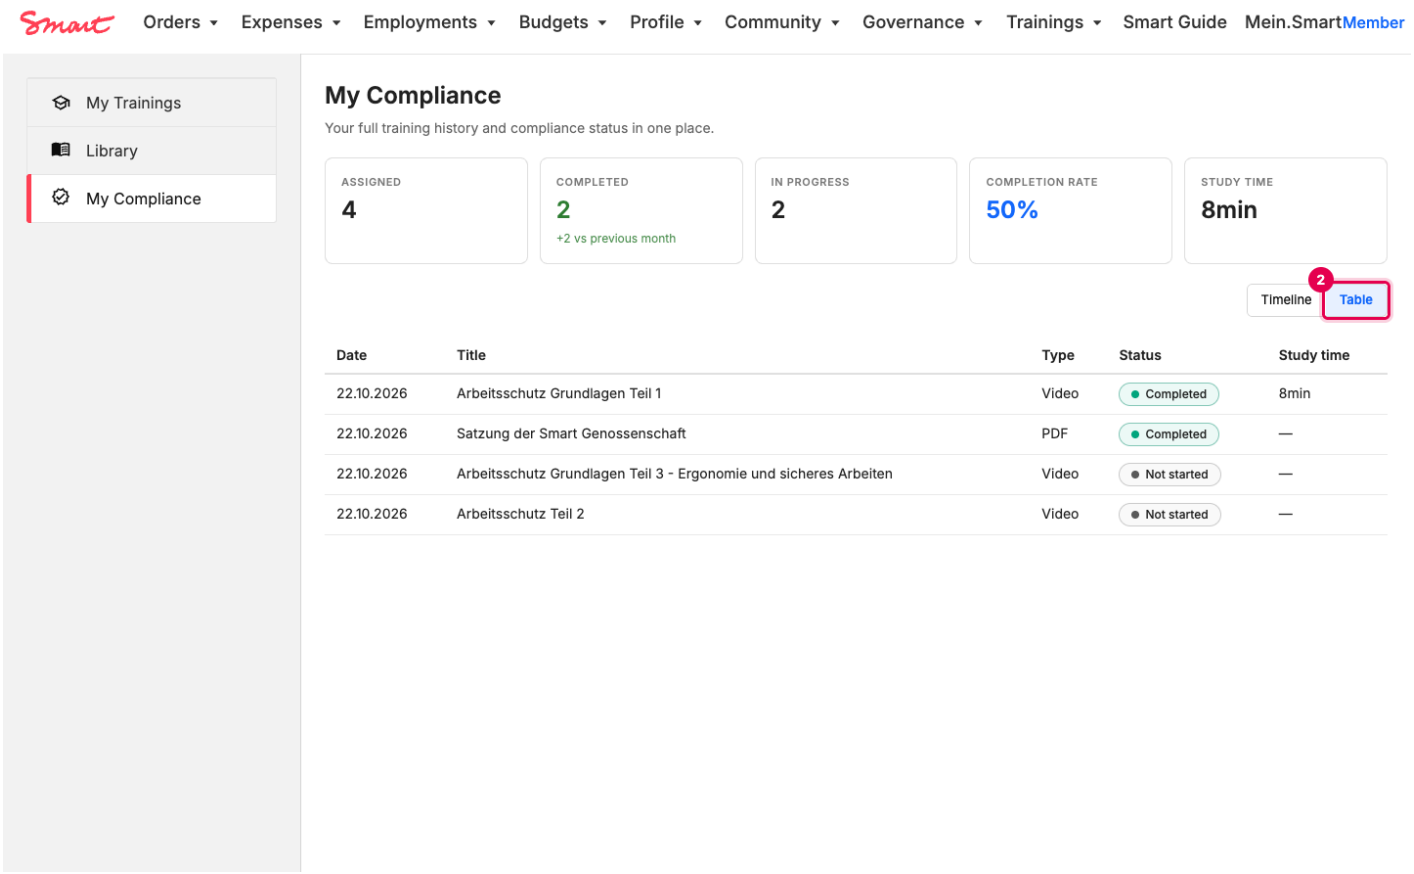

At the top you see:

- **Assigned**: how many materials you have to do,
- **Completed**: how many you have finished,
- **In progress**: how many are not finished yet,
- **Completion rate**: how much you have finished, in percent,
- **Study time**: how much time you spent on trainings.

Below you see your history as a timeline, newest first.

2. Click **Table** to see the same history as a list.

What the status means:

Status	Meaning
Not started	You have not opened the material yet.
In progress	You have started, but not finished.
Completed	You have finished the material.
Overdue	The due date has passed and you have not finished. Please finish it as soon as you can.
Withdrawn	Smart has removed the material. You do not need to do it anymore.

Revision #5
