

Deutschlandticket (Jobticket)

Smart offers the Deutschlandticket to employed members as a job ticket. The monthly costs can be offset against your available budget.

How does it work?

As an employee of Smart you can apply for the ticket by yourself in the BVG portal. You transfer the cost of the ticket from your own bank account to the BVG yourself. You will then receive a refund from your budget as part of the payroll for the current month. Please contact members@smartde.coop so that we can activate your ticket as your employer and provide you with the access data for the BVG portal.

You will receive your ticket directly by post.

With the Deutschlandticket you can use regional and local public transport throughout Germany. You can find out more about the conditions [here](#).

Please note that this service is only available to employed Smart members.

Costs

Starting from 01.01.2025, the cost of Deutschlandticket as a Jobticket amounts to **€55.10 with employer discount** per month.

The same ticket would cost you €58 in an individual payment plan.

The full cost of the Jobticket (**€55.10**) needs to be paid directly from your bank account. However, at the end of the month you will receive a net payment of **€14.5 as an employer's subsidy**. This payment is part of your employment costs and is covered from your budget.

Access data

You can request the ticket via the BVG portal: <https://photoupload.bvg.de/>.

You will need your Smart employer details to register on the BVG portal, which you can obtain from Smart upon request. If you are interested, please send an e-mail to members@smartde.coop.

Deadline

For a ticket from the following month, full registration in the BVG must take place by the 10th of the previous month.

Example: For a ticket starting from December 1st, registration must be completed by November 10th.

Cancellation

The subscription can be canceled monthly. To cancel, we need information from you by the **1st of the previous month**.

If you already have a private ticket and would like to apply for a Jobticket, you should cancel your existing ticket in good time. The deadline at BVG is the 10th of the previous month.
