# Dashboard

On the dashboard, you can see a quick overview of all modules in the portal: assignments and invoices, employment contracts, the current budget status, the latest posts from the community, and recorded expenses. The individual rows can be opened with a double click. By clicking the Smart logo, you can return to the dashboard at any time.

Through the menus, you can access the specific modules where you will find more detailed lists and information.

# Settings

In the settings, you can change your email address and password, as well as select the language (German or English).

The settings can be found in the top right corner of the window.

Please change your password after the first login!
